

# MOBILE DEPOSIT CHEAT SHEET

Making a deposit with your mobile banking app is quick, convenient, and secure

Getting started with mobile deposit

Screenshots are for illustrative purposes only. Exact functionality may vary.

After logging in, tap the "Deposit" button in the menu bar at the bottom of the screen. Tap "Deposit a check" from the deposit screen.

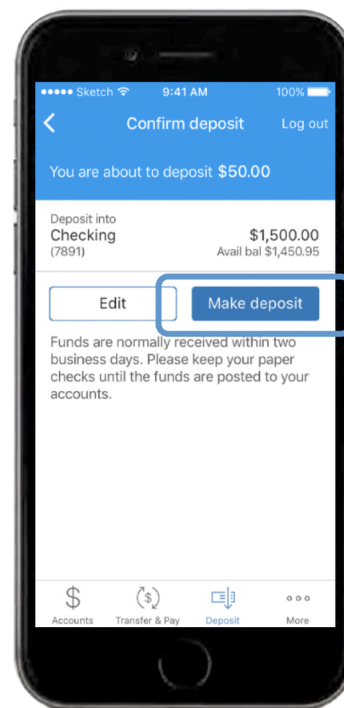

To begin, endorse the back of the check. Choose your deposit account and enter the check amount. Tap "Take photos" to proceed.

Take a photo of the front and back of your check following the on screen instructions. It is important that the endorsement include "For Mobile Deposit Only to BNA". Otherwise, the deposit will be rejected.

If you need assistance taking your photos, tap the question mark icon in the top right of your screen. This button will prompt you with instructions to get the best results for the images. The photo will be taken for you.

After taking the photos, tap the "Make deposit" button. This will confirm the check amount and the correct deposit account. You can check the status of your deposit at anytime.
